The Africa Experience concessions are devoted to creating enduring relationships with our guests by providing highly personalized service and gracious hospitality in an informally elegant African setting, while acknowledging our social and environmental responsibilities.

A destination for the experienced traveller, this is more than a photography course, it's an immersive adventure into the remote wilderness of Botswana. Based at the Koro Island Camp, set on a beautifully shaded and undisturbed bank of the Limpopo River.

We now invite you to explore this ancient landscape, camera in hand, with us.
