

# THE AFRICA EXPERIENCE

## PHOTOGRAPHY COURSE AT KORO ISLAND CAMP

Kwa Tuli Private Game Reserve, Central Tuli Block, Botswana

A destination for the experienced guest, this is more than a photography course, it's an immersive adventure into the remote wilderness of Botswana. Based at the Koro Island Camp, set on a shaded beautiful, undisturbed bank of the Limpopo River, living in symbiotic harmony with some of the rarest species of animals and plants.

**We now invite you to explore this ancient landscape, camera in hand, with us.**

This course focuses on practical hands-on creative techniques during excursions with theory lessons each day.

Hi key Photography, Landscape, HDR, Exposure Bracketing, Multiple Exposure, Panning, Sunset, Low light, Star photography
